

From Vendor Visibility to a Real Business Opportunity

How Muzdoor.com connected a registered vendor with a major institution

CLIENT

Institute of Chartered Accountants of Pakistan (ICAP)

VENDOR

Zahabi Contractors

PROJECT

Dismantling KCL Gulshan and Shifting

1 The Challenge

ICAP approached Muzdoor.com for moving their library and dismantling an office.

2 The Opportunity

Muzdoor.com facilitated the business connection with its registered vendor, Zahabi Contractors, enabling the vendor to participate in the bid and present its capabilities for consideration.

3 The Outcome

ICAP awarded the purchase order to Zahabi Contractors. The work was completed on time and under ICAP's budget.

The agreed payment structure included a 50% advance, received after ICAP's applicable tax deduction.

4 The Result

The engagement became a meaningful milestone for both Zahabi Contractors and Muzdoor.com. For Zahabi Contractors, it created a financial opportunity to secure an institutional project and work with a major professional institution.

Delivered on time

Under budget
